RESULTS · NOVEMBER 3 MIDTERMS

TOO BIG TO RIG. BUT NOT EVERYWHERE.

IT WORKED

House and Senate flipped
More than two dozen House seats, some Trump won by double digits

The gerrymander backfired
Democrats held 11 of the 15 seats Republicans redrew

No broad challenge expected
A Trump adviser called it “essentially too big to rig”

WHERE WE STAY VIGILANT

Razor-thin races
Mississippi’s Senate race: about 1,100 votes apart

Certification attacks
DOJ’s Alaska suit; a Texas GOP push to hand-count every ballot

Disinformation
Fake polling-place texts in Georgia; a made-up FBI “raid” in Houston

NOW → JANUARY

WHAT COMES NEXT. WHY WE STAY READY.

NOW – MID NOV

COUNT & CURE

Slow counts aren't fraud. Expect people to say they are.

LATE NOV

CERTIFICATION

It's mandatory. A county refusing is our redline moment.

DECEMBER

RECOUNTS & SUITS

Most will lose. The delay is the point.

EARLY JAN

SEATING CONGRESS

Some allies eye seating fights. No real path, but we watch.

AFTER JANUARY: DEMS GONNA DEM

A majority is a tool, not a promise. Repair is the floor, from reinstating TPS on up, and then some. **We keep showing up.**

Next: Sat Nov 7 mobilization · Nov 14 Naperville training · Nov 18 Lobby Day

ILLINOIS & LOCAL RACES · SALEK

BIGGER MAJORITY. MORE PROGRESSIVES.

WHO WE ELECTED

Saba **Jared** **Ben** **Erica** **Amanda** **Jenny** **Nabeela**

Democratic pickups, and progressive champions too. Democrats flipped at least four General Assembly seats, including DuPage's 47th House District.

ACT TONIGHT

Tell Springfield: bring the **Illinois Human Rights Advocacy Protection Act** to a floor vote.

What we demand of Springfield, we demand of Washington. Over to Cate.

OUR DEMANDS ON DEMOCRATS · CATE

WE PLAYED DEFENSE. NOW, OFFENSE.

01

LOBBY

Our even bigger state trifecta can do so much more. And we get our federal delegation in formation too.

Lobby Day · Nov 18

02

PIVOT OUR MUSCLE

Our direct-action teams were always meant for visionary demands. In May we hit Amazon and the budgeteers' districts for a digital ad tax.

Same playbook, bigger demands

03

TARGET PROFITEERS

Corporations profiting from the Trump agenda, in coordinated actions nationwide.
